

ATLANTIC CROSSING on board the MAXI FORTUNA 82

The **FORTUNA** is an expert in riding waves of the seven seas that are on the planet. She actually managed to beat the record for speed, navigating 408 miles in 24 hours, a true feat in the 80's and the record was not broken until just a few years ago. At this moment the "Flying Fortuna", named by the circumnavigator Peter Blake 89/90, is going to cross the oceans again with other objectives, to beat the satisfaction record, to enjoy the pleasure of her crew in any of Fortuna's crossings, and always making the most of an exciting cruise

If you're looking for an experience of a lifetime, a cruise in a Maxi famous all over the world and experience a true adventure, then Fortuna is your best bet. The Fortuna is made from Carbonno with titanium fittings and other technologically advanced materials, which make this vessel, accommodate any weather conditions the sea may bring. The Fortuna has a very interesting calendar for the 2008/2009 season.

In October of 2008 the Fortuna will cruise from Torrevieja(ALICANTE) to Las Palmas (Gran Canaria). In November she will cross the Atlantic Towards the island of Martinique and St Lucia then cruise around the most amazing anchorages the Antilles has to offer accompanied by the constant winds that blow all year round.

The Fortuna will be participating in various fun regattas that include the Heineken regatta in St Martin and Bucket in St Barts. At the end of an exciting winter, Fortuna will cross the pond to return home to the Mediterranean. All these events await you, all you have to do is call us and begin to dream. During the crossings in 2007 Fortuna "Flew" over the sea from Alicante to Lanzarote, 980 miles in just 3.5 days reaching amazing speeds of up to 19 knots.

Get enrolled in this unique adventure and make your dreams come true on board this magnificent luxury sailboat that will be unforgettable. The daily routine on board consists of all the crewmembers taking part in the day to day chores, general sailing manoeuvres, watches, assisting in the galley, general cleaning of the vessel, participating and

Taking control of the wheel, keeping cruising records in the log book all of this making this a special and authentic experience.

Atlantic crossing

Las Palmas, Gran Canaria- Martinique (Caribbean)
The Fortuna will be doing the Atlantic crossing in November 2009.
This is the opportunity of a lifetime that many have dreamed of but may have never

Achieved. The ocean crossing will start at a slow pace with the long waves of the Atlantic under the warm sun of the tropics and pushed along by the trade winds that make this 3000 mile crossing an unforgettable experience.
Our destination will be the Caribbean island of Martinique where we will arrive in 14 days then some down time in the Caribbean to relax.
