

ZULU is a magnificent sailboat constructed in Corten steel in 2005 by Gabinete Naval XXI and designed by the well known designer Iñigo Echenique.

Zulu sails with safety and in a pleasurable form in any of the world's seas, it has a reinforced mast and hydraulic winch, 2 decks to manoeuvre one to work with and one to relax. It has a shallow draught to make cruising easier in the Caribbean and Polynesia, has a powerful motor, a range of 3000 miles and the whole boat has a great finish.

The deck is ample and comfortable for crew whether they are doing a crossing or relaxing in a Caribbean paradise.

4 double cabins all of which have an en suite bathroom + a captain's cabin, ideal for 7 people+ crew these are available for high end journeys.

Zulu has 2 generators, air conditioning, GPS and plotter, Sat - Phone and all the safety equipment.

Zulu has cruised the Atlantic 3 times each way and on 2 occasions participated in ARC, cruising Invitation category.

Zulu has taken between 14 and 17 days to cross the Atlantic.

Enrol in this adventure and make your dreams come true navigating on board this magnificent sailboat in an unforgettable crossing.

The daily routine on board consists of all the crewmembers taking part in the day to day chores, general sailing manoeuvres, watches, assisting in the galley, general cleaning of the vessel, participating and taking control of the wheel, keeping cruising records in the log book all of this making this a special and authentic experience.
